The Leader in Pool Finishes

A Q U A V A T I O N S®

Make your pool a work of art with Hydrazzo's® luxurious marble pool finish! The most beautiful pools in the world are surfaced with the hand-polished magic of Aquavations' Hydrazzo.

Time-Proven Natural Ingredients

Hydrazzo® is the smoothest, richest and most luxurious surface available, formulated from time-proven technology and the earth's finest raw materials. Aquavations' Hydrazzo combines naturally beautiful coarse graded crystalline and colored marble, along with white Portland cement and a host of other performance-enhancing ingredients to create the ultimate pool coating.

Toughness...Without Roughness!

The secret to the Aquavations Hydrazzo finish is the final step: polishing the surface to a brilliant luster, and thereby unlocking the marble's natural beauty, and it's extraordinary strength. The color is breathtaking, achieving a soothing, color-intensifying effect. Aquavations' Hydrazzo is the "smooth sensation" in exposed aggregate pool finishes, friendly to fingers, toes and swimsuits.

Silky Smooth

A silky smooth texture combined with the proven durability of exposed aggregates are two prime features of the Hydrazzo finish. This equals timeless beauty and easy maintenance.

Hydrazzo features a silky smooth texture along with the proven durability of exposed aggregates to deliver unmatched natural elegance. With unique color selections and natural variegated appearance, Aquavations' Hydrazzo finish can complement all poolscape designs. This polished pool surface creates a finish that is naturally resistant to spot etching, topical stains, permanent scale and algae adhesion.

Colors

Hydrazzo has expended its rainbow of beautiful colors. Now choose from 14 luxurious colors to make a pool, spa or water-feature a work of art!

Setting the Standard for Distinguished Pool Surfaces

Aquavations is a worldwide leader in advanced, pre-blended exposed aggregate coating systems for the modern swimming pool. We develop dependable, pre-blended pool plaster systems using basic and advanced technology. With a combined 40 years of experience and hands-on applications, we have created new and improved products, superior to any other, utilizing the earth's finest raw materials.
